Train service is badly crippled, nearly all roads reporting their trains several hours late, owing to the snow impeding traffic. Street car service at some points is entirely suspended, while at other places it is badly crippled. The telegraph com-panies have had only slight delay. The heavy rains of Sunday and the succeeding snow caused a rapid rise in the Ohio river at all points from Pittsburg to below Cincinnati. At Parkersburg the river rose nine feet since Sunday, making a stage of twenty-four feet, and from Point Pleasant on down to near this city it rose over eight feet during the past twentyfour hours. At Cincinnati the stream rose eight feet since Sunday morning and at 6 o'clock to-night the stage here was 39.1. Skin, Scalp and Blood Humours

Speedily Cured by Cuticura Soap, Ointment and Pills

When the Best Physicians and All Else Fail.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurements, as in pimples and ringworm; the awful suffering of infants, and anxiety of wornout parents, as in milk crust, tetter and salt rheum, - all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures, blood purifiers and humour remedies of the civilized world.

Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Oint-ment freely, to allay itching, irritation and inflammation, and soothe and heal, and, lastly, take the Cuticura Resolvent Pills, to cool and cleanse the blood. Gentlemen: I always enjoyed good health until five years ago when I began to no-tice repeated backache, which kept increasing. I had sharp stitches and my back felt lame and sore. I had my urine examined, the doctor found it highly colored, with considerable brick-dust, and pronounced it Bright's disease. I had little faith in his prescriptions and soon changed, taking some greatly advertised Kidney Cures, but with unsatisfactory results, until I used Warner's Safe Cure. Within ten days I felt greatly relieved, the pain gradually decreased and soon disappeared, the urine assumed a nat-ural, healthy color, and within four months my health was fully and completely re-

"SAFE CURE" CURES BACKACHE.

If you have pains in the back, rheumatism, uric acid polson, rheumatic gout, diabetes, Bright's disease, inflammation of the bladder and urinary organs; scalding pains when you urinate, eczema, jaundice, swellings or torpid liver; if a woman, bearing-down sensation, fainting spells, so-called female weakness, painful periods; these symptoms tell you that your kidneys have been diseased for a long time, for kidney diseases seldom put out such symptoms as the victim recognizes until they have been working several months.
